

Tuition and Fees 2009-2010

Application and Registration Fee

A nonrefundable application and processing fee of \$50.00 is required of all applicants. Upon acceptance to SH/BHSN, a nonrefundable registration fee of \$350.00 must be paid by the date indicated on the acceptance letter. Failure to do so within the specified time may result in cancellation of acceptance. Upon receipt of the registration fee, informal sessions are scheduled by the Coordinator of Student Services.

Semester Charges

Students are billed three times a year, prior to the start of each semester and summer session. Payment arrangements must be made by the due date specified on the bill.

Registration and Payment

Tuition and fees are payable by mail or in person. Any tuition payment not received by the due date may be subject to a late fee. Payments may be made by personal check, bank check, money order, credit or debit card. No cash will be accepted. Payments by credit or debit cards must be done by 2:00 PM at the Signature Healthcare/Brockton Hospital Cashier's Office. All charges are subject to change. Please contact the Bursar's Office for any questions.

The office of Operations Administrator conducts registration and provides registration information to all students prior to each semester. Students registering for classes must be in good financial standing. Any prior balance must be cleared before a student will be allowed to register. Release of grades, academic transcript and diploma will be denied if all financial obligations are not met. A fee will be charged for any check that does not clear for payment.

Students are required to pay their bills in full in order to continue at SH/BHSN. Students awarded aid after courses begin may be reimbursed for tuition they have already paid. Any changes in course enrollments or credit status may affect financial aid eligibility and/or loan repayment schedules. Financial aid recipients should inform the Financial Aid Officer and the Registrar of any course changes. If a balance is due as a result of such an adjustment, the student is responsible for this amount and will be given a deadline by which full payment must be made.

Students who fail to meet their financial obligations before the beginning of classes, will not be allowed to attend class and/or clinical. Students who have not attended to their financial obligations will receive written notification to refrain from attending any course offering.

SH/BHSN Withdrawal Policy

The SH/BHSN Withdrawal Policy applies to all full and part-time students enrolled in classes at SH/BHSN. There will be no refunds after the tenth week of classes in the fall and spring semesters. Tuition reversal will be calculated based on the official date of last attendance.
