## Benefits of a Signature Medical Group Specialist

- **Direct access to over 17 Medical Specialties in the community**
- **Electronic Medical Records:** Our electronic medical records allow your care team to securely access your health information, which enhances continuity of care and safety.
- **Clinical Affiliations:** Beth Israel Deaconess Medical Center and Harvard Medical Faculty Physicians offer world-class medicine at Signature Healthcare. By combining resources we're providing better access to specialized care, innovative procedures and research capabilities.

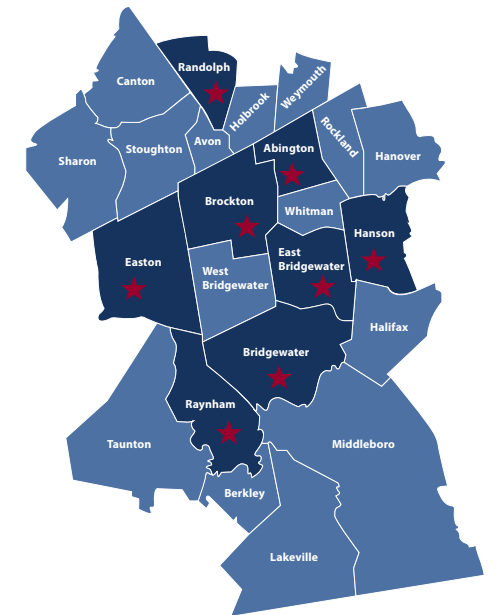

We are affiliated with Tufts Medical Center with pediatric specialists with offices in the community.

- **Full Laboratory & Radiology Services Available** at 110 Liberty St., Brockton, 1215 Broadway, Raynham and 31 Roche Brothers Way, North Easton locations. Limited Interventional Radiology services available at 430 Liberty St., Hanson.
- **Medical Home:** As a patient at Signature Medical Group you have a care team who will provide access to evidence based patient care, education and self management support. Your care team includes you, your PCP, nurses and certified medical assistants. Other experts will join your team as needed.
- **Patient Portal:** Signature Healthcare offers you free online access to your personal health information. The Signature Healthcare Patient Portal is a secure convenient way to review your medical history, lab results and upcoming appointments. You may request appointments, medication refills, referrals and communicate with your care team, as well as pay your bill online and have virtual telehealth visits.

- **Walk-In Urgent Care:** Signature Healthcare has two Walk-In Urgent Care Centers, open to the public, where you can receive same-day treatment for non-life-threatening conditions.
